Details Scandomestic SV 124 X Freestanding wine cabinet

Description

The SCANDOMESTIC SV 124 X offers 416 litres of usable capacity for up to 134 bottles and allows different wines to be stored separately in two temperature zones from 5 to 18 °C. Eight wooden shelves, seven of which are pull-out, digital controls, LED interior lighting and a glass door with stainless-steel frame combine clear organisation with a premium presentation.
